

Tengku Ieras Tengku Alaudin

Tengku Ieras is a partner in the Infrastructure & Construction practice group. He holds a Bachelor of Laws (Hons) degree from the University of Nottingham and a Master of Laws (Public International Law) (with Distinction) from the University of Westminster, United Kingdom.

Tengku Ieras was admitted as an Advocate & Solicitor of the High Court of Malaya in 2003 where he commenced practice with ZRp. His practice area is focussed on the construction, infrastructure, utilities and energy industry. He is principally involved in advising on the contracting strategy and drafting of documents related to the industry, including, construction contracts, concession agreements, EPC contracts, development agreements as well as advising on power purchase agreements and operations and maintenance agreements. His practice also includes advisory services in respect of preparation of tender documents as well as advisory services related to the administration of post-contract issues.

Tengku Ieras has played a key role in some of Malaysia's most significant projects, including the development of the Federal Administrative Capital in Putrajaya, the Education Hub in Johor, relocation of the Sungai Besi army camp paving the way for Bandar Malaysia, development of Tun Razak Exchange, major highway concessions, and Malaysia's first Railway Network Access Agreement. His practice in the energy industry, includes development of coal-fired and combined cycle power plants as well as renewable energy initiatives such as the various cycles of the Government's Large Scale Solar projects, mini-hydro and waste to energy developments.

In 2022, Tengku Ieras joined Malakoff Corporation Berhad as the Head of Legal and Contract, overseeing legal, regulatory, and compliance matters for the organization. He provided strategic legal guidance on power generation projects, M&A transactions, waste management projects, and corporate governance issues, playing a crucial role in mitigating legal risks and supporting the company's business growth.

Upon his return to ZRp in 2025, Tengku Ieras aspires to continue to deliver comprehensive legal, commercial, and business-driven solutions for his clients by combining his vast experience in construction, energy and infrastructure sectors with his experience as an in-house counsel.
